CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

## SUGAR EXPANSION PLAN MAY HIT CANAL POINT

A special dispatch out of Clewiston says that US Sugar Corp. President Harry T. Vaughn and officials of the Savannah Sugar Refinery have undertaken a study to determine the feasibility of building a joint refining facility at Canal Point. This is the first official word of proposed expansion by the Sugar Company though rumors have been rife for many months that something of this sort was in the making.

It is known that company officials directed workmen many weeks ago to make soundings and drive test piling at Bryant in an effort to find first hand about conditions as they prevail should a new sugar mill or refinery be built at the Bryant plantation of the U. S. Sugar Corp.

At present sugar cane grown in the eastern division with offices at Canal Point is shipped to the sugar mill at Clewiston over the Florida East Coast Railway where it is converted into raw sugar, and then is shipped to the refinery at Savannah for processing.

Vaughn said the actual picking of the site would be a part of the survey and that if built the new refinery would serve this entire sugar-growing area.

At present raw sugar from the area is sent to Savannah for refining. U. S. Sugar ships between 110,000 and 135,000 tons annually and the Okeelanta Sugar Co. ships around 40,000 tons, Vaughn said.

## Short Course Has 365 Boys Enrolled

Over 365 4-H boys from all over the State of Florida met at Gainesville for a one week short course. This course has many purposes, it will introduce them to the many opportunities in the field of agriculture, acquaint them with the Campus of the University of Florida, give them intensive training in various fields of agriculture and horticulture, and give them an opportunity to participate in 4-H work on a state level.

The boys' from Palm Beach County who attended short course were: Neil Walker and Phillip Mansfield from South Bay, Joe Graham from Pahokee, Walter Parker from Canal Point, Ronald Egan, Steven Snodgrass, Mike Gilley, Graham Hayes, Lewis Ransom, Harry Labadorf, Rodney Hattaway from Lake Worth, and William A. England, John Vallee, Burton Ashton from West Palm Beach.

The club members were accompanied on this trip to the University of Florida by M. U. Mounts, County Agricultural Agent, Charles Tucker and Raleigh Griffiths.

John Norman, four-year-old son of Mr. and Mrs. N. R. Norman, was a patient over the weekend at the Everglades Memorial Hospital where he received treatment for a severe cut on the mouth which he suffered while at play at his home. Several stitches were required to close the cut.

## Streets Lights OK For Another Year

Canal Point was assured of street lights for another year this week when members of the Lions Club completed collecting voluntary funds to keep the lights on. The funds have been collected by the Lions Club since inception of the program several years ago when the club entered into a contract with the Power Company for the street lights.

## AT THE HOSPITAL

Among the patients at the Everglades Memorial Hospital Wednesday were R. D. Sappington, Mrs. Inez Davis, Thomas Dean, Mrs. Cresa Laisrey, Vance Tripp, Mrs. Audrey Jones, Jesse York, Earl Plank, Mrs. Ednera Million and S. P. Slonaker.

## Recreation Plan Proving Popular

Swimming classes, teaching beginners how to swim and improving the skill of those who can swim, are proving to be one of the most popular activities for the children of the Pahokee-Canal Point area in the summer recreation and enrichment program of the County Board of Public Instruction. Coach W. D. (Bill) Howard, serving as swimming instructor, reports 130 children are participating. 88 in beginners classes, 30 in intermediate and swimmers groups and 12 in a junior life-saving class. Plans are being made to organize swim teams in the advanced classes to compete with teams from Belle Glade and Clewiston, he said.

In the band instruction program at the Band Building a class of 40 beginners, the largest in recent years, is reported by Bandmaster Robert O. Lampi, who is directing the program and acting as instructor. In addition, approximately 25 advanced band students are taking part in the program, the number fluctuating as students leave and return from vacation, he said. Children from four schools, Belle Glade, South Bay, Pahokee and Canal Point, sixth through ninth grades, are participating in the Glades-wide Remedial Reading classes at the Pahokee Elementary School. Mrs. Evelyn Lair is conducting these classes, which have (continued on page 8)

## VACATION BIBLE SCHOOL DISPLAY WORKS OF ART

On Friday, the last day of the very successful Vacation Bible School at the Canal Point Methodist Church, the pupils presented a special program for their parents and had on display works of art and craft which they did at the school. Refreshments were served. There was an enrollment of 97 in the school, according to Mrs. W. E. Blackwell, superintendent.

## Warren Repper Is Awarded Degree

Warren Repper, son of Mr. and Mrs. J. W. Repper of Canal Point and a member of the Pahokee Chapter, Future Farmers of America, was awarded a State Farmer degree at the State FFA Convention in Daytona Beach. A superior chapter rating was awarded to the Pahokee FFA. Representing the Pahokee FFA Chapter at the convention were Johnny Kautz, retiring chapter president; Calvin Watson, David Fountain, James Veal and N. R. Norman, chapter advisor.

## 1000 ACRES \$600,000.00

A recent land sale of great interest to the area was that of the Chastain Brothers to the Okeelanta Sugar Refinery in which 1,000 acres of the Glades' finest farm land was bought by the sugar concern for \$600,000.00. The land, located north of Canal Point in what is known as the Sand Cut section, was owned by Stanton Chastain, Anderson Chastain, and Oscar Chastain. The sugar concern is busy making preparations to plant sugar cane on the newly acquired acre, age.

## Last Rites For Thomas L. Dean

Thomas L. Dean, 71, of Pahokee died at the Everglades Memorial Hospital Wednesday morning after a short illness.

A resident of the Glades area since 1938, he had been employed as an operator at the Pahokee waterworks plant for the past few years.

He is survived by his wife, Dominic; six sons, Lester and Cecil of Pahokee, Carl J. of Belle Glade, Winston of Key West, Carl E. of Fort Myers and James of South Bay; three daughters, Mrs. Ruby Maloy of Belle Glade, Mrs. Eunice Hubble and Mrs. Florence Baker, both of Homestead; a brother, J. Dean of Thomaston, Ga., and 14 grandchildren.

Funeral arrangements will be announced later.

## Pahokee Lions Hear New Methodist Pastor

A talk on "Specialization" was given by the Rev. T. C. Osteen, new pastor of the First Methodist Church, at the weekly luncheon meeting of the Pahokee Lions Club. He was introduced by Earl Meredith, program chairman, Duncan Padgett and D. B. Mathis were named co-chairman in charge of the club's concession at Pahokee's Fourth of July celebration, the Canal Point Club to be joint sponsor of the concession.

Mrs. Jack Barwick is visiting her sister, Mrs. Ruth Yarborough, at Umatilla this week.

## 2 RETREAD ROAD JOBS IN UPCOMING BUDGET

## Court Of Awards Ends Year's Work

Pahokee Girl Scout Troop 164 completed a year of activities at a court of awards in which Mary Lee Adams, Connie Bacon, Linda Douglas, Susan Graham, Penny Pennington and Willola Tyson were advance to first class rank. Louise Busbee and Glenda Webb were advanced to second class rank.

Badges for various activities were awarded to Patti Bliss, Andrea Funderburk, Mary Lee Adams, Connie Bacon, Louise Busbee, Linda Douglas, Susan Graham, Marilyn Mock, Penny Pennington, Betty Story, Willola Tyson and Glenda Webb. Each Girl Scout received a gold star for the successful completion of the Scout year.

## Funeral Services For Mrs. Gray, 76

Funeral services for Mrs. Laura Jane Gray, 76, of Pahokee were held at the Pahokee First Methodist Church Thursday at 1:30 p. m., with the Rev. T. C. Osteen, pastor, officiating.

Mrs. Gray, a pioneer resident of Pahokee, died at the Everglades Memorial Hospital Tuesday evening after a brief illness. She came to Pahokee with her family from Lynchburg, Tenn., in 1924.

Survivors include four sons, Jake of Alva, Fla., Joe of Miami, Robert of Sarasota and Cecil; three daughters, Mrs. Jack Spencer of Pahokee, Mrs. Nell Ramage of Orlando and Mrs. Ruth Newsome of West Palm Beach; two sisters, Mrs. Minnie Gray of Detroit, Mich., and Mrs. Marna Franklin of Oxford, Ala., and 15 grandchildren.

Palbearers were O. B. McClure, Marvin Cowart, Duncan Padgett, R. J. Schroder, Morris Batchelor and Claude Padgett.

Burial was at Port Mayaca Cemetery.

June 1960 rainfall to date 5.32.			

## B. ELLIOTT OUT OF HOSPITAL

B. Elliott of Pahokee, former speaker of the Florida House of Representatives, returned Sunday to the home of his sister, Mrs. Juanita McCarty, 3129 NW 2nd Ave., Lake Worth, after two months of treatment at Duke Hospital for a serious illness.

Two heavily traveled roads in the Everglades section of Palm Beach county will get retread treatment during the coming State Road Department budget year, according to County Commission Chairman Paul Rardin. The roads are: SR15 (US 441) from Pahokee to Belle Glade and Five miles of SR700 (Connors Highway) east from Canal Point.

Chairman Rardin was directly instrumental in getting these two jobs in the upcoming SRD budget because he insisted that they be done. When the State said there would be no primary funds for the retread jobs, Rardin suggested and his suggestion was followed by the State Road Board, that the two jobs be completed out of secondary road funds. The secondary road fund is spent by the State Road Department at the suggestion and direction of the county commission.

The Pahokee to Belle Glade retread job is estimated to cost in the neighborhood of \$100,000.00. The retread from Canal Point on Connors Highway east for five miles is estimated to cost around \$60,000.00.

Other roads in the Everglades section of the county were put in first class condition under the SRD's last year's budget. Retreads were put on the south half of SR-717 from the East Shore Pump through Chosen to SR80. A little more than seven miles of SR80 from Six Mile Bend east was retreaded last year putting that bad stretch of road in first class condition.

## Hunting & Fishing Discussion Topics

WEST PALM BEACH—Two public meetings, to discuss the hunting and fishing regulations for 1960-61 will be held in the Game and Fresh Water Fish Commission's Everglades Region during June, stated Louis F. Gainey, Regional Manager.

The first of these meetings will be held at the Immoalee High School Auditorium on June 28th at 8:00 P. M.

The second meeting will be held June 29th at 8:00 P. M. in Miami, at the clubhouse of the Sportsmen's Club of Dade County. This clubhouse is located at 1200 N. W. South River Drive.

These meetings are held each year for the public and are designed to hear recommendations from interested sportsmen for the forthcoming year, Gainey said.

## TO VISIT ALABAMA

Mr. and Mrs. Leonard Dobrow and two children will leave next week for Wetumpka, Ala., where they will visit Mrs. Dobrow's mother, Mrs. M. D. Logan. They will be accompanied by Mrs. Leta Richardson, a sister of Mrs. Dobrow. They plan to be away from Pahokee for a couple of weeks.

## Control Chinch Bugs Prevent Damage To St. Augustine Grass

GAINESVILLE—With summer weather officially here again, Florida homeowners are warned of the presence of chinch bugs, the annual threat to St. Augustine grass lawns in the state.

Dr. S. H. Kerr, assistant entomologist with the Florida Agricultural Experiment Station, reports chinch bugs have already been active in south Florida for some time, and northern residents should keep close watch for the pests.

If chinch bugs are present, control measures should be started immediately. Dr. Kerr says he is sure chinch bugs are actually present before making insecticides treatments. He says a lot of money is needlessly spent each year because people assume almost every lawn ailment is caused by this insect.

Chinch bug controls must be carefully used if they are to be effective, he adds. A simple and inexpensive piece of equipment for a home gardener is a jar attachment to a garden hose. Use the type which delivers a coarse spray and a large amount of water.

Better control is obtained if the lawn is moist when the insecticide treatment is applied. This aids in the spread and penetration of the insecticide into the turf mat.

Recommended insecticides for home gardeners now include DDT, Diazinon, V-C 13, and Trithion. Mixtures of DDT plus BHC are common lawn pest insecticides in north Florida garden stores. DDT has lost much of its effectiveness in some southern parts of the state and one of the other materials should be used for consistently good results.

Detailed information on chinch bug control is contained in Agricultural Extension Service Circular 181, Lawn Pest Control Guide. This is free to Florida residents and describes damage and control for all major lawn pests. Circular 181 can be obtained from your county agricultural agent or from the Florida Agricultural Extension Service, University of Florida, Gainesville.

Mr. and Mrs. William R. (Bill) Hatten are returning this week from Fort Lee, Va., where they spent two weeks while he was attending the summer training camp of the U. S. Army Reserve.

## IN THE COUNTY JUDGE'S COURT, IN AND FOR PALM BEACH COUNTY, FLORIDA

## Suzanne Morgan Honored At Party

Mrs. Claud Morgan entertained at the home of Mrs. J. T. Boynton with a graduation luncheon honoring her daughter, Miss Suzanne Morgan, and 21 other girls of the Pahokee High School Class of 1960.

The graduation theme was carried out in the luncheon arrangements by miniature diploma invitation, and a unique diploma tree. Tiers of fluted milk glasses and white hibiscus topped with miniature graduates formed the centerpiece of the luncheon table.

Mrs. Morgan was assisted in the entertainment by her sister, Mrs. Fred Newman of Cooper, Texas.

## Pensacola Girl Is New President Of State 4-H Council

TALLAHASSEE — Sharon Christian, Pensacola, is the new 1960-61 president of the State 4-H Club Girls' Council. She was elected at the final session of the 45th annual 4-H short course held at the Florida State University.

Other officers elected and now serving are Evelyn Jones, Sarasota, vice president; Betty York, Winter Garden, recording secretary; Renda Prevatt, McAlpin, corresponding secretary; Judy Tripp, West Hollywood, treasurer; Silvia Campen, Waldo, historian; and Carolyn Thornhill, Winter Haven, parliamentarian.

State delegates to the Council are Susie Hudson, Alford; Katherine Davidson, Monticello; and Sally Hutchinson, Doctor's Inlet.

At the annual awards program Laura Ann Higginson, Zephyrhills, received the Danforth "American Youth Foundation Award" which provides for two weeks' training at a leadership training camp, Stony Lake, Michigan.

Margaret Hodges, Ona, received the Pfizer Scholarship given to a college junior who has taken home demonstration courses and expects to be a home demonstration agent with the Agricultural Extension Service.

The Florida Banker's Association Award went to Cynthia Farina, Ft. Peirce.

More than 500 4-H girls from 53 Florida counties attended the week-long short course and council meeting sponsored by the Florida State University and the Agricultural Extension Service.

## GRAVESIDE SERVICES

Graveside services for the infant daughter of Mr. and Mrs. Robert Peaden of Pahokee were held at the Port Mayaca Cemetery Monday at 1 p. m., with the Rev. John H. Kinard, pastor of the Church of God of Prophecy, officiating. The baby died at birth at the Everglades Memorial Hospital Sunday morning.

## Statewide Contests Featured Florida 4-H Boys' Short Course

GAINESVILLE — Several important state contests were held last week as over 400 Florida 4-H Club boys participated in the 41st annual State Boys' 4-H Club Short Course at the University of Florida.

Glen Tisdale, Cottage Hill, won top honors and the state title in the public speaking contest. His speech on the value of the timber industry to the South won him the Florida Farm Bureau Federation Trophy.

Runnersup were in order: Charles Coffin, Odessa; Jimmy Yarborough, Arcadia; Billy Lockhart, St. Augustine; and Roy Messer, Lake City.

William A. England, West Palm Beach, won first place in the 4-H good reading lamp making program. Second and third place honors went to Steve Baker, Milton, and Harold Trujillo, Gainesville.

Five boys were named recipients of the 1960 Florida Banker's Association \$100 scholarship. Winners were William J. Platt, III, Gaines-

ville, Douglas Stanton, Cantonment; Herbert Morgan, Tallahassee; John D. Kaylor, Ft. Meade; and Corky Gaines, Bradenton. They were selected on the basis of an examination early in the week.

Twenty-five boys and girls competed for places on the state 4-H dairy cattle judging team. Six chosen for additional training were Herbert Morgan, Tallahassee; Leslie Diaz, Tampa; Barbara Forshee and James Balcom, Jacksonville; John Wilson, DeLand; and Brenda Dennison, Orlando.

A four-person team will be selected from these finalists to represent Florida in national competition at Waterloo, Iowa in October. John Jakubcin, Slavia, won the state tractor operator's contest over a field of nine other district winners. Second and third place winners went to Tommy Prator, Callahan, and Tom Carter, Jay.

Mr. and Mrs. H. J. Anderson were hosts Friday night at a card party at their home on Bacon Point Road, honoring their son-in-law and daughter, Mr. and Mrs. Luther Collier, of Cantonment. Two tables of cards were in play.

## Public Lodging Is On Increase In State

TALLAHASSEE — State Restaurant and Hotel Commissioner Richard Edgerton says public lodging establishments in Florida have increased at a rate of nearly three a day during the first six months of 1960.

Edgerton noted that there are now 41,482 lodging places in the Sunshine State, an all-time high. This is an increase of 454 businesses over Jan. 1.

The number of rental units available in public lodging establishments increased to 434,393, a jump of 6,804 for the six-month period. Restaurants licensed by the commission during the same period reached 17,400, according to Edgerton. This is an increase of 85 over the Jan. 1 figure. Seating capacity for these restaurants rose to 805,335, an increase of 16,583 seats.

Mrs. Evie Keen will return to her home in Canal Point this week after undergoing surgery in Belle Glade Memorial Hospital in Belle Glade, Florida.

## ENJOY COOL COMFORT Electrically

It used to be "come and sit in the shade on the porch." Now it's "come inside and enjoy cool comfort."

**AIR CONDITIONING** will make your home a haven from summer's heat and humidity. It will flood your home with cool, filtered air... remove excess moisture, lower the humidity, and help prevent mildew. Locks out dust, insects and road noises. You'll sleep better, awake refreshed, live in cool comfort through the hottest summer days.

**MODERN ATTIC or WINDOW VENTILATING FANS** are other wonderful aids to cool summertime comfort. These powerful fans pull in cooling fresh breezes "in motion," as hot sticky indoor air is forced out.

Don't wait until your house runs a temperature.  
See your electrical appliance dealer now.

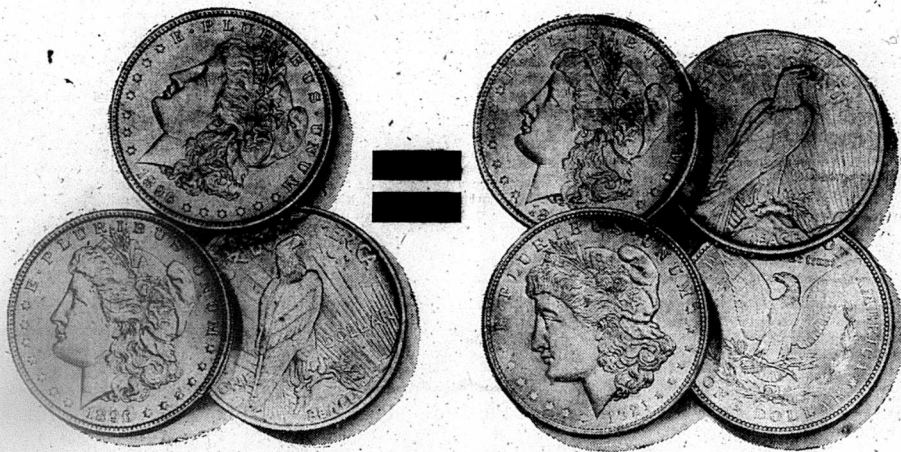

**FLORIDA POWER & LIGHT COMPANY**

COSTS SO LITTLE... WORTH SO MUCH

## Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

**\$3 = \$4** *fourteen months faster than before*

### *The Bonds you own are better than ever, too.*

The new  $3\frac{3}{4}\%$  rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra  $\frac{1}{2}\%$  from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

### **More advantages of U.S. Savings Bonds**

**You can save automatically.** Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

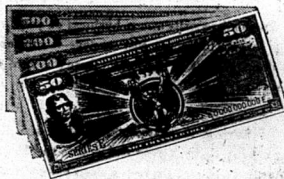

ber, the money you don't touch can't slip through your fingers.

**You can get your money, with interest, when you need it.** Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

**Your savings can't be lost or stolen.** The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

**You save more than money.** The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

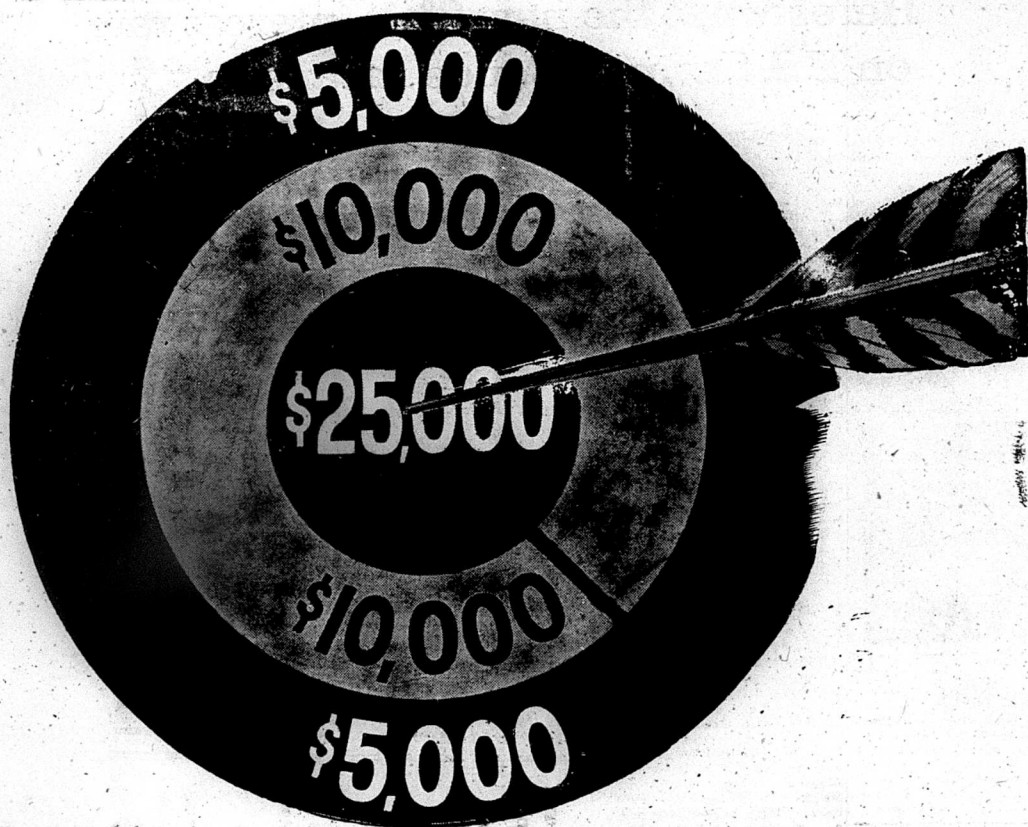

Start saving with U.S. Savings Bonds today. You'll save more than money.

*You save more than money*  
**with U.S. Savings Bonds**

PAUL RARDIN, Publisher

## Pick your savings target and shoot straight for it!

**A** home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no paperwork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2088 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

**For the big things in your life, be ready with U. S. Savings Bonds**

The U. S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the Advertising Council and

Army in being transferred from Fort Jackson, S. C., to the Army's Aberdeen Proving Grounds in Maryland. They also visited his brother, Edgar Johnson, and family at Clewiston and his sister, Mrs. A. E. Funderburk, and family at Pahokee.

Mr. and Mrs. Ray Cook (Eathell Mix) of Pahokee announce the birth of a daughter, Rebecca Anne, at the Everglades Memorial Hospital, June 18.

Mr. and Mrs. Billy Sizemore (Bernice Honeycutt) of Pahokee announce the birth of a son, Billy Dean, Jr., at the Everglades Memorial Hospital, June 17.

## Bonita Springs To Celebrate The 4th

**BONITA SPRINGS**—A little bit of Hawaii will come to Southwest Florida during the July 4th holiday when this Collier County community salutes the entrance of our 50th state into the Union.

The residents of Bonita Springs will stage an Hawaiian Luau in all its traditions as a gesture of friendliness to its new neighbor on the other side of the world.

There will be native dancing, competitive contests and plenty of good food in the Luau tradition. Hawaiian music will be featured and the dancers will wear grass skirts.

Bonita Springs residents are planning an all-out party in honor of the newest state which will be officially accepted into the United States July Fourth.

## Governor Sees Too Much Control

**TALLAHASSEE** — Gov. LeRoy Collins says the cry is raised constantly for more business principles in government. But he said private industry could not operate successfully with the rigidity that is imposed upon government.

The Governor's complaint resulted from a request from the Florida Citrus Commission for exceptions to the five per cent limit imposed upon pay raises for state employees by the Legislature.

Budget Director Harry G. Smith opposed the request for raises for marketing representatives who promote sale of Florida citrus products, in out-of-state markets. Smith said 12 of the 14 persons had been granted raises last year. No action was taken by the State Cabinet.

The cabinet later authorized the Florida Alcoholic Rehabilitation program to seek a grant from the U. S. Department of Health, Education and Welfare to finance a special study of rehabilitation of alcoholics.

Cabinet members also authorized a contract for construction of three dormitories at the Florida School for Girls at Ocala and purchased 25 new patrol cars for the Florida Highway Patrol.

Mr. and Mrs. Edgar Wilder and daughters are spending a vacation with her parents, Dr. and Mrs. Glenn Bennett, at Hendersonville, N. C.

Mr. and Mrs. Olaf Boe and family have as a house guest Miss Barbara Childers of Tallahassee.

Mrs. Olive Adams has returned after spending a week with her daughter, Mrs. Stevens and daughter, Pam in West Palm Beach.

Mr. and Mrs. Philip Maxson and daughters and his brother, George Maxson, have returned from a visit with their brother-in-law and sister, Mr. and Mrs. Ponce McDonald, at St. Petersburg.

Dr. and Mrs. Harlan Sears and daughters, Cindy, Becky and Angie, have returned to their home at West Point, Miss., after a visit with his parents, Mr. and Mrs. H. H. Sears, at Canal Point.

## Salute to FLORIDA COUNTIES

Hailed as "The Home of the Tangerine and Famous Weekiwahe Spring," Hernando County has nearly every type of Florida soil within its boundaries. Agriculture provides a main source of income, supplemented by mining, forestry and sea products. First a part of Hillsborough County and later a part of Benton County, its present boundaries were established in about 1873. The Brooksville area, settled before the Civil War, is now County Seat. Gulf, lakes and rivers provide a year 'round festival of fishing fun.

In progressive Hernando County, and throughout Florida, the United States Brewers Foundation works constantly to maintain the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials.

# Picture of a Promise

*Sure, she's a grand old flag!  
That's why we salute her.  
That's why we pledge allegiance to her.*

*That pledge, in its simplest terms,  
is another way of saying, "Count me  
in. You're my country and I love you  
and need you. Your problems are  
my problems, and I'm with you  
all the way."*

*Your country's biggest single  
problem is the perpetual responsibility  
for keeping the peace its people  
want. You can help with this  
problem by remembering this:*

*Peace costs money. Money for  
military and industrial strength.  
Money for science and education.  
And money saved by individuals —  
by you — to help keep the economy  
strong. Bonds provide this money.*

### Christian Science Group Of Canal Point

Universal availability of the healing and saving power of the Christ, Truth, will be a theme dealt with at Christian Science services Sunday.

The account of Christ Jesus' healing of the woman "which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself" (Luke 13) will be included in the Bible readings. "Christian Science and Health with Key to the Scriptures" by Mary Baker Eddy states (495:2): "Truth casts out error now as surely as it did nineteen centuries ago. All of Truth is not understood; hence its healing power is not fully demonstrated."

The universal nature of divine power is also brought out in the Golden Text to be read from Isaiah (52:10): "The Lord hath made bare his holy arm in the eyes of all the nations; and all the ends of the earth shall see the salvation of our God."

Mrs. John E. Campbell, accompanied by her son-in-law and daughter, Dr. and Mrs. James A. Douglas, and family of Louisville, Ky., has returned to her home at Hazard, Ky., after a visit here with her son-in-law and daughter, Mr. and Mrs. Noma Norman, and family.

### Circles Suspend For The Summer

Three out of four circles of the Pahokee Methodist Woman's Society of Christian Service, at the June meetings held this week, voted to suspend meetings through the summer.

The Gertrude Shirley Circle, meeting at the home of Mrs. L. L. Shirley, with Mrs. Hugo Bos, co-hostess, was the only group that voted to hold regular meetings in July and August. Mrs. Frances Dunson, presiding chairman, named Mrs. John E. Wilson, membership chairman; Mrs. Leon Spooner, Christian social relations chairman; and Mrs. L. J. Fraser, sunshine chairman. Mrs. Laurie Justice spoke on "Religious Freedom." Mrs. Ruth Meredith will be hostess in July.

Mrs. J. T. Frick was elected chairman of the Miriam Circle at the meeting at the home of Mrs. R. F. Hurt, and Mrs. E. D. Sims, Jr., was elected co-chairman. Mrs. Hurt gave the devotionals. Mrs. Sims will be hostess at the next meeting, Sept. 19.

The Rev. T. C. Osteen, new pastor of the First Methodist Church, was guest speaker at the luncheon meeting of the Mabel Simonson Circle at the home of the chairman, Mrs. H. J. Anderson. His talk was followed by group singing. It was announced the next meeting, Sept. 19, will be at the home of Mrs. M. P. Holman. Mrs. Osteen, wife of the pastor, and Mrs. Ernest Maxwell, WSCS president, were guests.

Mrs. J. R. York spoke on "Our Mission Today" at the meeting of the Margery Lair Circle at the home of the chairman, Mrs. Ralph C. Stanley. Mrs. Arch Blakey gave the devotionals and will be hostess at the next meeting Sept. 19.

Mr. and Mrs. L. J. Fraser and Mrs. Alma Farrow left Thursday for a trip to Texas and California. Mrs. Fraser will have a medical check up from his doctor in Houston where he had surgery two years ago. They will be away for several weeks.

### Edythe Smith Is Named Post Master

Mrs. Edythe Smith, who has been serving as Acting Post Master at Canal Point for the past several months since the resignation of Osceola Upthegrove, has been given confirmation by the U. S. Senate and is now the official Post Master at Canal Point.

### Delilah Strayer To Wed D. E. McKinnon

Mr. and Mrs. John H. Strayer of Canal Point announce the engagement of their daughter, Delilah Ruth, to Donald Edward McKinnon, son of Mr. and Mrs. D. E. McKinnon, Dearborn, Mich.

The bride-elect graduated from Pahokee High School with the Class of 1959. While attending school she was a member of the Glee Club and secretary of the DCT Club.

Mr. McKinnon graduated from high school at Melvindale, Mich., and attended the Detroit College of Applied Sciences. He served in the Signal Corps of the U. S. Army for two years with overseas duty in Korea. A radio dispatcher for the Belle Glade Police Department, he is now taking a training course in the Dade County Public Safety Department.

Plans are being made for a Sept. 24th wedding.

### Reppers Celebrate 25th Anniversary

Canal Point Lions at their weekly dinner meeting, honored Mr. and Mrs. J. W. Repper who were celebrating their 25th wedding anniversary. Mr. Repper is Lions zone chairman and past president of the Canal Point club. At the business session, with President James Gibson presiding, plans were discussed for cooperating with the Pahokee Lions in a joint concession at the Fourth of July celebration program at Pahokee Harbor.

## THE U. S. TREASURY SALUTES YOUR BANK...

One of the 14,000 selling  
"Shares in America"

More than 14,000 banks from coast to coast each day perform an outstanding service for their customers, their community, and the nation by selling Shares-In-America... U.S. Savings Bonds.

Every family benefits, every community profits because of banking's leadership in promoting this all-American thrift program. Today, 40 million Americans own more than \$42 billion worth of U.S. Savings Bonds.

Today Bonds are better than ever. Every Bond bought since June 1, 1959, now pays 3½% at maturity. Even your older Bonds will earn an extra ½% from June 1 to maturity.

Chances are your banker encouraged you to buy your first Savings Bonds. The next time you visit your bank take time to thank him for his good advice, and buy an extra Bond while you are there.

When you buy U. S. Savings Bonds  
you save more than money

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{4}\%$  for the first year and a half; then a guaranteed  $4\%$  each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{2}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $\frac{1}{2}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

## Recreation Plan—

(continued from page 1)  
an enrollment of 22.

The science workshop, also open to children of the entire Glades area, is under the direction of Mrs. Robert Woofter at the elementary school. She has a class of 20 third and fourth graders and a class of 13 fifth and sixth graders. In addition, Mrs. Woofter is conducting physical education classes for the elementary school children with an average daily attendance of 40.

Classes in arts and crafts are being conducted at the elementary school by Mrs. Fern Frank, with an enrollment of 50. Mrs. Frank is also in charge of the library, which is open to the children every morning.

Coach Web Pell is directing activities at the gymnasium where indoor sports, group games, acrobatics and trampoline instruction are featured. Seventy-six children have registered to take part in these activities.

A total of 63 children have registered for participation in the six-weeks' activities program at the Canal Point School, which is being directed by Mrs. Charlotte Walston and Mrs. Alma Burr.

## 1950 Class Holds 10th Anniversary

The Pahokee High School Class of 1950 held a 10th anniversary class reunion in the social hall of the Elks Club where a steak dinner was enjoyed. The program highlighted was a review of the 1950 edition of the school's yearbook, Devil's Trail, with a re-reading of the class prophecy and the class will and testament. On the committee in charge of arrangements were Billy Ray Mosley, Stanley Hooks, Mrs. Ray Hutton, Mrs. Joe Cherry, Jr., Mrs. Richard Tillis, Mrs. Hueston Connell and Mrs. Jimmy Shirley.

## Money Shortage Health Dept. Worry

JACKSONVILLE—The Florida State Board of Health met in Jacksonville, Sunday, June 19, to discuss an expected million dollar shortage in funds for hospitalization for the indigent, revise regulations for the control of operations of commercial lawn and shrubbery sprayers, modernize the code governing trailer parks, and dispose of other administrative matters.

The five man panel appointed by the governor to set policy in state public health matters was all present, along with State Health Officer Wilson T. Sowder, when President John D. Milton, MD, of Miami, called the meeting to order shortly after nine o'clock. Dr. Sowder told the board that the funds provided by the state legislature to match moneys available from the Federal government for paying hospital costs for state welfare cases would be exhausted by about October first of this year. He said that Federal funds available for carrying on the program after that date could not be obtained unless the matching funds were made available. He said the Federal money amounted to sixty cents on the dollar, and that he proposed that an emergency meeting of county officials be called in Jacksonville Wednesday to see if the counties could arrange to make up the deficit. All counties in the state would have to participate, he said, or the Federal funds would cease to flow into the program, and it would collapse. The board acted favorably on Dr. Sowder's recommendation, and instructed staff members to start immediately to send telegrams to county officials, calling them to the Wednesday meeting.

The long controversial question of controls over commercial sprayers of lawns and shrubbery came up again and consumed a large

portion of the morning. Some minor revisions in the rules and regulations set up by the board were brought up for action. They concerned mainly the sore point of notification by the sprayer to the occupant and neighbors of premises to be treated with highly toxic pesticides. Upshot of the protracted discussion was that operators will be instructed hereafter to notify the occupant and neighbors of the spraying, naming the pesticide for the occupant, both by generic, or common name and by chemical name, which is frequently a dozen or more syllables in length.

## Corrine Collins Is Honored At Party

Mrs. H. M. McIntosh and Miss Annette McIntosh entertained with a luncheon in honor of bride elect Miss Corrine Collins at their home on Bacom Point Road Tuesday. The tables were beautifully decorated with dolls dressed as the bride, brides Mother, and the bridesmaids. Each guest received one as a gift. The honoree was presented with two lovely silver engraved plates and also, a Betty Crocker Cookbook just for two.

The hostesses served delicious turkey salad topped with heart shaped cranberry jelly, potato chips, peach pickle, stuffed celery, buttered asparagus, olives, crackers, pecan pie ala mode and iced tea to Misses Collins, Jeanne Mock, Kay Friend, Jill McElwain, Mrs. L. M. Collins, Mother of the bride, Mrs. E. F. McElwain, Mrs. Luke Fraser and Mrs. J. V. Thomas, Aunts of the groom, Mrs. John Dragon, Mrs. Lloyd Hundley, Mrs. Paul Rardin and Miss Julia Mathis.

Mr. and Mrs. Paul Sasser entertained with a family dinner and reunion at their cottage at Lake Placid Sunday. There were 26 attending.

## Vacation Jobs For State Young Folks

With the close of schools many teenagers over Florida eagerly seek vacation period jobs to gain valuable work experience and earn their own spending money.

State Industrial Commission Chairman James T. Vocelle points to two significant facts about summer employment for young people. He said figures show that more young people work during the summer than any other time during the year.

Vocelle pointed out that minors who find a job must first obtain employment certificates before they can go to work for an employer in most occupations.

Most employers are aware of this, he said, and last year a total of 1,533 Palm Beach County young people were issued work certificates from school authorities. Of that number 953 were boys and 580 were girls.

Vocelle said there were 1,239 in age group 12 through 17 in school who worked part time or during vacations. And there were 278 in the 16 and 17 year age group who

had dropped out of school who got certificates.

"The most basic requirements of the Florida Child Labor Law," Vocelle said, "is that the youthful employee applying for a job have an age and work certificate. Obtaining the certificates from county superintendents' offices is quite simple and employers cannot employ minors who do not first obtain a work permit."

Vocelle said minors employed in domestic service or in farm work during the hours when public schools are not in session are exempt from the law except in hazardous occupations.

## ATTEND WEDDING

Those from Pahokee who attended the wedding of Miss Anita Louise Kennen, daughter of Mr. and Mrs. Charles Kennen, and Ernest Maurice Quiggins, son of Mr. and Mrs. Maurice Quiggins of Lantana Heights, at the Lakeside Methodist Church in Lake Worth Saturday evening were Mr. and Mrs. Robert J. Schroder, Mr. and Mrs. Ellis Murphy, Mr. and Mrs. Chester Mullis and Mr. and Mrs. J. T. Platt.
